 **Sunday, July 12, 2026 | 12:15–13:30 CEST**

 **Room W3-4, Paris Expo Porte de Versailles, Pavilion 7, Paris, France**

Dear Colleagues,

On behalf of Sanofi, it is with great pleasure that I invite you to our upcoming Satellite Symposium: “Evolving Clinical Pathways in iTTP: Emerging Treatment Approaches and Managing Complex Cases”.

Join us for a dynamic and interactive dialogue on advancing iTTP management. We will delve into the latest evidence-based approaches to management, navigate complex patient scenarios through expert-led strategies, and foster collaborative discussion through real-world case discussions across diverse global populations.

I am honored to be joined by distinguished faculty members Dr. Chaturvedi, Prof. Brinkkötter, and Prof. Miyakawa who will share their expertise in this dynamic program.
